

Mangere Growth Centre Plan HIA

July 2006

Quigley and Watts, ARPHS, CMDHB

***Recommendations for MCC and
Housing New Zealand***

Te Kaunihera o
MANUKAU
City Council

Positives

- Increased connectivity
- Collective knowledge part of good planning processes
- Highlighted gaps
- Enhanced opportunities for 'public health outcomes through smart growth'

Negatives

- Limited focus
- Risks related to expectations of outcomes
- Not a guarantee of resourcing

City Council

The outcomes wish list

HIA an effective tool for unlocking development potential of growth centre and regional growth planning and implementation

HIA leads to co-funding partnerships (with clarity)

HIA enables assessment of social as well as physical environments
